NARRATIVE

On 9/17/2018 at 1810 hours, I was dispatched to Southwest Key Program shelter located at 12030 North 113th Avenue in Youngtown, Arizona 85363 in reference to a child abuse report.

Upon my arrival on scene, I made contact with the director; a female who was later identified by her name and date of birth as Griselda Neri. The following information is the summary of my interview:

Griselda stated on 9/14/2018 at approximately 2218 hours, one of the shelter's staff, Yamilette Santos, had to escort one of the shelter's clients, a seven year old girl, [REDACTED] to her bed. [REDACTED] refused to go to bed and Yamilette dragged her to the bed. Griselda stated this is against the shelter policy, therefore; the shelter management will conduct an internal investigation. Griselda stated she reported the incident to Child Safety Services and to Maricopa County Sheriff's Office.

Griselda and I reviewed the surveillance camera footage of the incident. It is observed in the footage a disruptive and disorderly child kicking and refusing to go to bed. [REDACTED] was providing active resistance against Yamilette by placing her feet against the door while Yamilette was escorting her to bed. [REDACTED] was flailing her arms and legs to prevent

NARRATIVE

Yamilette during the incident. Yamilette appeared at one point to drag the child by her leg. [REDACTED] continued to resist as Yamilette was taking her to bed. I did not notice any indications of child abuse or intentional harm in the footage. It appeared the workers were attempting to move the uncooperative juveniles to their rooms.

I was unable to interview Yamilette due to her being sent home prior to my arrival. Griselda was unable to provide the contact information for Yamilette at the time of the investigation.

Griselda provided me a copy of the surveillance camera footage in a digital video file. I copied it onto a compact disk, entered it into Property and Evidence as evidence and placed it into the Property and Evidence locker located at District Three Substation (Property and Evidence Report attached).

Due to the fact that no criminal offense has been committed; this report was taken for informational purposes only. Griselda was advised of the result of the investigation via telephone.

I conducted an Arizona MVD and warrants check of Griselda Neri and found no outstanding warrants.

My AXON body worn camera was activated during the incident.

This concludes my involvement in this incident.
